

Jefferson Conservation Commission
Meeting Minutes
21 January 2020

1. The meeting began at 7 PM. Present and constituting a quorum were Nancy Decourcey, Jamie Savage, Charles Muller, and David Govatski.
2. The Building Permits were reviewed and no wetland conflicts noted.
3. David assisted a local resident with a wetland permit for a new home off of Turnpike Road.
4. The JCC reviewed the final Planning Board master plan survey and will encourage residents to provide comments.
5. Nancy suggested that we have an Earth Day event on the 50th anniversary of Earth Day on 22 April 2020. We discussed a clean-up of trailheads.
6. David noted that the Mooseway Trail is getting a lot of use by both local residents and visitors. David also said that he will work with the US Fish and Wildlife Service to bring in heavy planks to replace bog bridges on trails at Pondicherry. The materials will be brought in by snowmobile and sled using the snowmobile trails.
7. The meeting adjourned at 7:40 pm.
