Grading on the Ingerson Road is finished, and they are working on Sunset Paradise. On Sunset there needs to be more ditching done. Mark figures that it would take about a week to do.

Mark asked if the Board had made a decision on the material to use on the Ingerson Road. They said that they hadn't looked at the options and will do so. Mark was asked if he preferred the ledge pak or the gravel. He said the ledge pak was good, however it was hard to grade. The best would be to mix the two materials.

New Hampshire Interlocal Trust has determined that Jefferson is due a share of FY15 contributions in the amount of \$434.91. This amount can be credited to FY 17 premiums or refunded in total. The Board elected to take the credit in check form for the 2017 year.
