Others Present: Linda Cushman, Assistant

Norman Brown opened the meeting at 7:05 p.m. The Board reviewed and approved the bills for payment next week and signed the warrants. The Highway report was reviewed. Wendy Wells was in prior to the meeting to pick the warrants and sign checks.

Kevin Meehan made the motion to accept the minutes of the January 25, 2010 Selectmen meeting as well as minutes of the budget hearing. Norman seconded the motion. The motion carries.

The letter from Attorney Oliver regarding the Belle Hunt Road gate was reviewed. It was the decision of the Selectmen to request a copy of the Association documents before making any comments.

The Warrant and 2010 Budget were signed.

The request from the Planning Board to print their view on the petitioned warrant article was discussed. Linda Cushman had contacted DRA regarding this. DRA stated that it would not be appropriate to publish the statement from the Planning Board. A member of the Planning Board at the Town Meeting can read this information.

Eileen Alexander of Arts Alliance of NH has asked if the Selectmen would approve the use of the Town Hall by the Alliance. Ms. Alexander said that if the Town Hall could be used it would provide another community for programs given. The Alliance is a non-profit organization, therefore they do not have the funds to pay rent for a hall. It was the decision of the Board to approve the request.

After review of the quotes for tires for the grader it was the Board's decision to accept the quote from NE Truck Tire for bias tires at a cost of \$632.53 each plus \$50 mounting each.

Linda asked if it would be possible to look into the use of wireless internet service for the office. This would allow a connection for the Supervisors to use the internet to update required information

while here in the office. It was suggested to contact Time Warner to come in and evaluate the space.

Norman suggested contacting Carol at the Registry of Deeds to find out the name of the company that does file coping. This may be a cost effective way to get some paper files copied and free up space.

Kevin made the motion to adjourn the meeting. Norman seconded the motion. The motion carries.

Being no further business the meeting adjourned at 7:40 p.m.

Respectfully submitted,
